Applicant legal address

Applicant profile (50 words or less):

Geographic Area

Please choose the geographic area for your project location.

- Central Ontario:* Durham – Halton Region – Muskoka District – Peel Region – Simcoe County – Toronto – York
- Southwestern Ontario:* Brant County – Bruce County – Chatham–Kent – Dufferin County – Elgin County – Essex County – Grey County – Haldimand County – Hamilton – Huron County – Lambton County – Middlesex County – Niagara Region – Norfolk County – Oxford County – Pelee Township – Perth County – Waterloo – Wellington County
- Eastern Ontario:* Frontenac County – Haliburton County – Hastings- Kawartha Lakes – Lanark – Leeds & Grenville – Lennox & Addington – Northumberland County – Ottawa – Peterborough County – Prescott & Russell – Prince Edward County – Renfrew – Stormont, Dundas & Glengarry
- Northeastern Ontario:* Algoma District – Cochrane – Manitoulin – Nipissing District – Parry Sound District – Sudbury – Timiskaming
- Northwestern Ontario:* Kenora – Rainy River – Thunder Bay

Project Information

Project Title

Program Objectives addressed by the project (choose all that apply):

- Amplify and expand Phragmites control implementation in Ontario, and/or
- Address the leading edge and rapid spread of Phragmites, and/or
- Increase collaboration and coordination, volunteer and landowner participation & capacity.

Funding Priorities address by the project (choose all that apply):

- Equipment and materials (e.g., backpack sprayers, misc. parts, spades, cane cutters, small boats, rafts, health and safety supplies, personal protective equipment, chemicals, pesticide signs, interpretive/educational signage, etc.)
- Winter control implementation (if completed by March 1, 2022) (e.g., prescribed burns, cutting, rolling)
- Project Team and Volunteer Development (e.g., skills training and development, program and capacity building, training events, etc.)
- Control Implementation and Management Planning (e.g., consultant fees, surveys, control plans, budgets, partner engagement, long-term maintenance, and sustainability plans, etc.)

Project description (500 words or less)

Short description (15-20 words or less)

Expected outcome(s) (100 words or less)

Will this project be sustained and/or managed over time? If yes, please describe (100 words)

Select Key Performance Indicators

Select up to four Key Performance Indicators (KPI's) that you feel are attainable, and appropriate for your project. See the Applicant Guide for more information on each KPI. A final list of KPI's will be determined for your project if it is selected for funding.
